Certificate in Management and Leadership for Lawyers

Founded in 2000, Bucerius Law School is the first private law school in Germany. Its hallmarks include an international focus, practical approach, performance orientation and attention to the personal development of each individual student. The Bucerius Center on the Legal Profession was founded in 2010 and provides know-how on the successful management of law firms and legal departments. It analyzes, researches and teaches practical aspects of professional management and leadership as well as developments in the legal services market.

The Certificate in Management and Leadership for Lawyers was designed to meet the increasing expectations of employers today that extend beyond mere textbook knowledge or traditional case studies. These specialized courses provide practical insight and profound knowledge of professional management and leadership as well as developments in the legal market. Certificate courses include Advocacy Skills for Lawyers / Business Mediation & Conflict Resolution / Business Skills: Introduction to Accounting and Finance / Compliance and Risk Management for Lawyers / Introduction to AI and Legal Technology / Law Firm Strategy and Management / Negotiation / Transactional Drafting.

To earn the "Certificate in Management and Leadership for Lawyers" students must take a minimum of 4 ABA credits from the list of certificate courses and receive a grade of B or higher in all certificate courses taken. Language of instruction is English.
